

Welcome to the West High Warrior Baseball Program.

A program rich with tradition and pride.

As you can imagine, there are many expenses associated with maintaining a high caliber sports program such as ours. We are working hard to keep fees low, and this year we will be providing a variety of fundraising opportunities to help offset costs.

The required cost to participate in the 2010-2011 baseball program and season is \$300 per player.

This cost will provide each player with:

- 2010-2011 Spirit Pack :
 - practice shirt, game Dri fit shirt, game pants, hats (2), belt, socks
- Field maintenance and upgrades
- Equipment maintenance and purchases

Any moneys raised above the required \$300 can be applied to the following:

- practice shirt \$20
- practice shorts \$20
- Dri fit shirt \$30
- hooded sweatshirt \$35
- game pants \$50
- jacket \$150

There are 2 ways to pay your player fees:

(A player account will be set up and tracked and communicated via email)

Option 1) Throughout the preseason, fundraising opportunities will be provided which can be applied as credit to your player fee account. (Please understand that with every fundraiser there is a cost incurred by the team. Therefore, the full amount of money brought in by a player for any given fundraiser will not be fully applied to your player account. The team cost will be deducted first.)

Current and potential fundraisers will include:

- banners sales (50% of proceeds of new sold banner will be applied.)
- Warrior Cards
- car wash tickets
- wreath and garland sales (potential)
- attending tapings of tv shows (potential)

(open to suggestions for other fundraising opportunities)

HOWEVER, several fundraisers can be applied 100% credit towards a player's Spirit Pack. They will include:

- direct mail campaign
- web sponsors
- banner renewals
- corporate matching

All applied fundraising activities will be provided and completed by December 1, 2010. The balance of fees remaining in a player's account on this date will be due in full to the program on December 15, 2010, and will become the responsibility of the player.

Option 2) Opt out of individual applied credit fundraising efforts and pay \$300.00 in full on or before December 15, 2010.*

Supplemental Group Fundraising

During the season, the team will participate in several group fundraising efforts which will provide additional funds to support the program. These fundraising events such as the team garage sale, restaurant fundraisers, Warrior Wear (sweatshirt/t-shirt) sales, and our FIRST Annual West High Alumni Game will not be applicable to individual player accounts, but will be used to supplement the program, and to help defer postseason banquet fees for players and coaches.

***All players are expected to participate in supplemental team fundraising activities, even those who choose Option 2, because the events also provide opportunities for team building.**

** All Spirit Pack money is a donation and is non-refundable if a player quits or moves to another school.
