

Warrior Baseball Parents,

We welcome you to the West High School Baseball Program. As a parent you play an important role in the participation of your son in the baseball program. Below you will find information regarding team policies.

Attendance. Each player is responsible for attending every practice and game. This includes Saturdays, holiday practices, and tournaments. If your son misses a game for an unexcused reason, it is up to the discretion of the coaches as to the suspension, or possible dismissal from the team. Parents should email or call the coach if your son is ill and absent from school. In case of rain call your coach for the status of the game or practice. The freshman and JV's have a tournament over Spring break, the Torrance Challenge. Varsity will play during Spring break at the Righetti tournament in Santa Maria. The time commitment of your son will continue to grow if he progresses thru the baseball program.

Injuries. Players are to report all injuries to their coach as well as our trainer.

Schedules. Schedules have been posted on the West High Baseball website. We appreciate your flexibility in terms of rain cancellations. Games are not usually cancelled until around lunch on days it is raining. Tournament schedules are to be determined in the later rounds.

Game travel and permission slips. We will always have a bus scheduled to travel to and from the games when school is in session with the exception of Redondo H.S.. All players must travel from school to the game on the bus. Parents may take their son home after games with prior notice to a coach. During Spring break there will be no busses. Directions to all games should be requested from the visiting school or ask the coach prior to the game. Parents have volunteered to provide directions to the team in the past.

Clearance packets. Need to be turned in ASAP. Forms are online via the West High School website (no exceptions). Your son will not be allowed to practice if he has not been cleared prior to February 22, 2010. Fall or winter sport athletes are already cleared; however, please make sure your coach has a copy of your Emergency card.

Coaching. Each coach does player evaluation on a constant basis at each level. Each player has been placed on a team based upon his ability, attitude, and the needs of the program. **Playing on this year's team is not a guarantee that your son will be on next year's team.** If you have any questions about your son, please refrain from communicating with a coach the day of the game. There can be a lot of different emotions right before, during or after a game by both the coaches and parents. We will address your concerns at the appropriate place and time. If your concern pertains to playing time, we strongly encourage your son to approach the coach first. Consequently, if this does not satisfy you or your son then the next step would be for the parent to contact the coach.

Please keep in mind the amount of time your son's coach spends with them during the week in order to prepare them for a positive yet competitive experience.

We look forward to an exciting season of Warrior baseball. Thank you for your continued support.

Go Warriors!

West H.S. 2010 Baseball Staff
